

## Scheduler

For a chemical multinational we are hiring a **Scheduler**

### Vacature omschrijving

You can join the largest overall construction project undertaken by this multinational. The O&P North business plan to establish a world-scale Cracker (1.25mtes/a Ethylene / 50kes/a Propylene) in the Antwerp area. The plant is planned to come on-line around 2026.

The scheduler and the scheduling department is responsible for the site preparation works, required for the construction of the various plants. You will be working on site with the Construction Management team & site PC organization and reporting directly to the Project Controls Manager / Lead Planner.

Job responsibilities:

- ✓ Oversee all scheduling activities performed by the construction contractors, subcontractors and/or other third parties;
- ✓ Monitor and weekly report project/construction schedules, physical progress and forecasts including all work packages and activities;
- ✓ Monitor and report construction progress variables for intervention thresholds and triggers;
- ✓ Possess a detailed understanding of the construction critical path and near critical path activities at all times and proactively communicate them for optimum value deployment by the project & construction management team;
- ✓ Monitor and weekly report all critical related construction schedules, physical progress and forecasts;
- ✓ Monitor and report on adherence to the site preparation schedule baseline;
- ✓ Publish and report project progress through a minimum set of communication tools and methods to all stakeholder groups appropriately.
- ✓ Support the Lead Planner to control the site preparation construction work.

### Je profiel

- ✓ Proactive work attitude and strong interpersonal skills
- ✓ Team player, willing to work in a small, flexible and enthusiastic international team
- ✓ 5-10 y experienced in planning of large construction contract ( >50 million)
- ✓ 5-10 y experience working in very large project ( > 300 million construction contract)
- ✓ Good understanding of English in speaking and writing and fluent in Dutch
