

Structures Engineer

For one of our customers we are in search for a **Structures Engineer**

Vacature omschrijving

The role:

As Structures Engineer you work on a broad variety of tasks in the field of ship structures. You will work in a basic engineering team of several structural engineers on plans and outer deck arrangements, or during the detailed engineering in a multi-disciplinary team on block fabrication and foundation fabrication models/drawings. As Structures Engineer you implement technical knowledge and practical experience, such as accessibility, producibility, maintainability.

Key accountabilities:

As Structures Engineer you will be responsible for:

- ✓ Contributing to the engineering process by developing the required information, block and foundation drawings incl. production information, as well as outer deck arrangements.
- ✓ Executing engineering structure activities with the 2D and 3D CAD tools.
- ✓ Assisting in technical analysis on received offers under supervision of the team leader.
- ✓ Ensuring full compliance to all applicable requirements and specifications imposed by Regulatory Bodies and the customer.
- ✓ Contributing to further development of the engineering department and development of yard- or project standards.

Je profiel

As Structures Engineer you need to have:

- ✓ Secondary vocational education (MBO-4) related to the structures discipline.
- ✓ Minimum of two years experience in engineering of ship structures and broad knowledge of structures, preferably in ships or offshore installations.
- ✓ Experience with 2D CAD and 3D CAD-systems such as Cadmatic, Hull or Catia.
- ✓ Experience and knowledge of with Class- and Statutory regulations.
- ✓ Ability to travel long distances and work abroad occasionally.
- ✓ Excellent command of English language (written and verbal) is essential.
- ✓ Excellent antecedents as a pre-employment security screening and investigation are a part of the recruitment procedure (given the military nature of the projects).
- ✓ EU citizenship or valid EU work visa required to be considered as viable candidate.

Wat bieden we

longterm possibilities.
